Research & Cultural Programs

To take part in a world-class research team, students will improve research skills and knowledge during this intensive 2-credit/final program. Upon completion, students will earn 3 credits. For the updated faculty list and the application information, please refer to the link below and our website.

Field Trips & Cultural Activities

Through a series of field trips and cultural activities, students are expected to gain firsthand knowledge about different environmental, historical, or cultural facets of Taiwan. Students will understand how “Taiwan’s past” shaped its current state, and the subtle ways Taiwan’s foreign cultures mix with their own.
