Welcome to Finland!

EXPERIENCE TOP-QUALITY EDUCATION AND UNIQUE NORDIC NATURE

The University of Jyväskylä welcomes you to the International Summer School in Human Sciences on 18 May – 12 June 2020

STUDENTS from partner universities all over the world as well as local students are invited to apply to the Summer School. The programme is intended for undergraduate or graduate students majoring in communication, economics, education, language and culture studies, management and leadership, philosophy, psychology, sport and health sciences, social sciences, music, anthropology or related fields.

THE DISTINCTIVE quality and solid reputation of the Finnish education system brings thousands of international students to the country every year. Jyväskylä is an exceptionally attractive study destination with its combination of top quality education and research, technologically advanced campus, safe and stable society, unique Nordic nature and landscape, and a wide range of sports and cultural events and activities.

COSTS

The University of Jyväskylä does not charge tuition for the courses from students of partner universities collecting eventual tuition fees of their own. There may be a small fee for certain activities of the social programme. Students are expected to pay for their travel to and from Jyväskylä as well as living expenses and accommodation while in Jyväskylä.

ACCOMMODATION

Summer School participants can reserve accommodation in furnished study-bedrooms (with a shared kitchenette and bathroom) which include basic domestic items, e.g. blanket, pillow, bed linen and basic kitchenware. Also included in the room price is breakfast and possibility to use the gym.

FREE TIME ACTIVITIES

TAKE PART in the free time activities and get to know the "little big city" of Jyväskylä and your fellow Summer School students. And most important of all: have a good time!

Free time programme includes:

- cultural tours
- getting to know Finnish life and society
- informal get-togethers
- sports
- and much more!

JYVÄSKYLÄ is a prominent school and university city with a cozy, international, youthful and innovative atmosphere.

I really enjoyed the opportunity to interact with various people from other cultures.

WHO SHARES, WINS.

The Jyväskylä Teacher Seminary was established in 1863 to share teaching and learning in Finnish with all. Today that same spirit of dialogue continues to drive us. It opens doors and minds between research, education and society. We strive to kindle the skills, knowledge and passion to live wisely for the best of humanity.

Our 2,500 professionals and 15,000 students collaborate closely in an open, multidisciplinary community, seeking answers to the questions of today – and tomorrow.

**SERVING THE FUTURE.
